

The Aesthetic Condensate Pump

GOBI

Guaranteed original with the unique orange dampening feet for silent operation

The new **GOBI** is a condensate discharge module designed to be fitted below modern wall mounted air conditioners. The new design and technology makes the GOBI our most innovative water sensing system ever. The GOBI pump incorporates the Electronic Energy Control System (EECS™), microprocessor control delivers a smooth unobtrusive pump operation. The new GOBI offers a range of advantages and benefits for installers like:

- Electronic Energy Control System (EECS™) with alarm circuit
- Soft start with EECS™
- Quick, simple trouble free installation
- Aesthetic design blends in naturally into its surroundings
- Thermal protection
- Amazingly quiet
- Built-in non-return valves
- Fits all wall mounted mini splits
- CE and UL approved
